We are proud to announce the launch of our new podcast series Review and Renew. Across the six-part series, we will discuss how businesses can do business better, how they can achieve their goals, and become more resilient. In each episode, we'll be talking about one aspect of business today, drawing on the knowledge and expertise of local business leaders.

Episode 6 - Leading Through Change

We spoke to Sam Watts from Orchid Communications and Graeme Smith about leading through change. They discussed everything from what makes a great business leader through to developing the necessary skills, and how the leaders of tomorrow may look.

Episode 5 - Building a Successful Start-Up

In this episode we spoke to Tim Bullock from Channel Eye Media and Nick Steel Head of Industry Development at Jersey Business talk about building a successful start-up. They discussed everything from planning to launching, offering brilliant pieces of advice along the way.

Episode 4 - Innovating Through Change

In this episode David Seymour of Seymour Hotels and our own Lorie Rault talk about innovating through change. We considered how companies can adapt and change and shared our recent experiences of innovation and top tips.

Episode 3 - Brexit-The Next Big Opportunity

In this episode we are joined by Senator Ian Gorst, Jersey's External Relations Minister and Alexia McClure, Chief Operating Officer at Jersey Business. They discuss where Jersey currently sits in terms of our trading relationship with Europe and the UK, the key new rules Jersey businesses need to understand and the opportunities for the Island and for local businesses

Episode 2 - Business Health Check

Listen to our podcast and find out more about giving your business a health check – an exercise to help you understand where your business is right now. Hear from Daphne East, Commercial & Operations Director for Easenmyne and Kenny Sillars Head of Business Advisory Services at Jersey Business on the positive impact going through the process will have on your business.

Episode 1 - Remote Working

Our host, Allan Watts is joined by Richard Plaster from Law at Work and David Bailey from RBC to discuss the all-important topic of remote working. Their conversation includes: the different terms in use, the role corporate culture has played in the transition, managing performance and productivity, and more. It's certainly not a discussion to miss.
