Phase 7 of the Co-funded Payroll Scheme introduced

Yesterday the Government of Jersey announced the introduction of Phase 7 of the Co-funded Payroll Scheme. The scheme has been reintroduced for December 2021 and January 2022 to support businesses that have been affected by the Covid-19 restrictions. You can find more details and information on how to apply here.

You can also check your eligibility for the Fixed Cost Support Scheme designed to compensate a business for the impact of either not being able to open or being restricted in its ability to trade because of Covid-19 restrictions.

During these times of uncertainty keeping track of your business' health is particularly important because it helps clarify the options for the business. Listen to our podcast on the positive impact of giving your business a Health Check or you can apply for a consultation here.
