It is my pleasure to be launching the Jersey Chapter for the Virtual Speaker Association International. Having been a member for over 3 years now during the Covid_crisis, I am excited to be creating this group to inspire, empower and enthuse Jersey professional and aspiring speakers.

The launch of the VSAI Jersey Chapter opens up new avenues for collaboration, learning, and networking in the vibrant community of speakers on island. As we navigate a landscape

increasingly shaped by virtual interactions, the chapter promises to be a hub for professionals seeking to refine their speaking skills, expand their reach, and make a lasting impact.
