About Let's Go DPO

Let’s Go DPO is a support network from the JOIC giving Data Protection Officers and Leads in Jersey the chance to network,

identify and explore common experiences and engage with our office in a safe and confidential environment.

The network's purpose is to promote compliance and awareness of the Data Protection (Jersey) Law 2018 and demonstrate our office's commitment to providing support to local Data Protection Officers and Leads by offering the opportunity for discussion and to contribute to our office's development of initiatives and other guidance, where appropriate.

Wish to join the Let's Go DPO network?
If you know of other Data Protection Officers or Data Protection Leads who would like to join the Let's Go DPO network, please ask them to contact the JOIC events team at events@jerseyoic.org.
