17:30 – 20:00 | 14/03/2024 | The Freedom Centre, Bath Street, St Helier

Book now →

DisruptHR is a global movement designed to energise, inform and empower people in the fields of Business, Leadership, HR, Management and Technology.

Find out more

Occasionally an event series is born that shakes things up, it makes you think differently and leaves you inspired.

This is not death by Microsoft PowerPoint; 14 speakers, just five minutes each, and slides rotate every 15 seconds with an intermission for networking and nibbles.

Over 250 global cities have hosted this phenomenon, in six continents.

Immerse yourself in an Event about innovation, creativity and fresh ideas about managing people, performance, and business.
