Digital Connectivity - Networking for digital providers and consumers.

Book here

Join Jersey's Chamber of Commerce at the Maritime Museum & Occupation Tapestry Gallery on **Tue Mar 05 2024** at **17:00** for an exciting event focused on digital connectivity. This in-person gathering aims to bring together digital providers and consumers to foster networking opportunities, collaboration and short-cut the search for the provider you need.

At this event, you'll have the chance to connect with like-minded individuals, exchange ideas, and explore potential partnerships. Whether you're a digital provider looking to showcase your products and services or a consumer interested in finding a digital solution, this event is perfect for you.

Discover the providers on your digital doorstep, meet industry experts, to help you stay ahead in today's fast-paced digital landscape. As a provider you will meet potential customers hungry to buy.

Get your ticket, mark your calendar and join in the fascinating environment of the Jersey Maritime Museum for an early evening 'speed-dating the sector. Tasty canapes will be provided and beers, wines and soft drinks are kindly supplied by Randalls. All are included in the ticket price.
