# Cyber Incident Response Exercise: Small Business

14:30 - 17:00 | 21/10/2024 | St Paul's Centre, Dumaresq Street, Saint Helier JE2 3RL

Book now →

Jersey Cyber Security Centre (JCSC) and Soteria Communications are hosting a series of cyber simulation events throughout October. This Cyber Incident Response Exercise is aimed at people working for small businesses and is designed to help participants prepare for a cyber incident.

🎟 **Book here**

During this session, you'll have the chance to:

- Experience a simulated cyber security attack in a safe environment
- Get advice and guidance from a panel of experts from JCSC and JOIC
- Leave with a range of practical steps you can take to protect your business

These events are sponsored by JT Group and Appleby.

Who we are

- Jersey Cyber Security Centre (JCSC) supports islanders and organisations to prepare for, protect and defend against cyber threats.
- Soteria Communications supports clients to prepare for and manage crises, with a focus on cyber incidents.

Frequently Asked Questions

I work in a different sector but I want to attend this event, can I?
This session is specifically designed for those working for small businesses to discuss their shared experiences in a confidential, supportive space. If you work in another industry but would like to attend a cyber incident response exercise for your sector, please check jcsc.je for other events.

I'm a cyber security provider, can I attend?
If you are a cybersecurity provider, you can provide feedback and share knowledge via JCSC's Cyber Supplier Advisory Forum. Please email hello@jcsc.je for more information.

What will you do with the information I share during this event?
This event will be hosted in a confidential environment where we will apply the Chatham House Rule : participants are to use the information received but cannot share the identity or affiliation of the person sharing the information. We encourage all attendees to take part and to share their views.
