Coinciding with the launch of our Workplace Toolkit, find out what your business needs to consider to be fertility friendly.

Book here

Tiny Seeds would like to invite you to a Breakfast Briefing focusing on the importance of providing fertility support in the workplace. Coinciding with the launch of the Tiny Seeds Fertility in the Workplace Toolkit, the briefing will share advice and guidance on what your business needs to consider to become fertility friendly. Speakers and panel members Becky Kearns, CEO & Co-Founder at Fertility Matters at Work, Melanie Grandfield from High Tide HR Consultancy and Will Austin-Vautier from Ogier will share what you can do to support your employees.

Secure your spot today. CPD available.
