During this FREE talk we'll:

- Provide plain English explanations of common cyber security concepts
- Explain how a cyber attack could jeopardise your small business
- Outline practical steps you can take to protect yourself, your team, and your business.

You'll also have the chance to ask questions in a friendly, informal setting.

Who is this event for?

This event is designed for people who do not have a background in cyber security: no previous knowledge is required. If you work in IT, risk, or cyber security, you may like to attend the Jersey Cyber Security Conference, or other events during the month.

How can I attend?

You can attend this event in person at our Operations Centre at 1 Seaton Place, or virtually via Microsoft Teams. However you choose to attend, you're welcome to bring your lunch along with you.

(Please note that if you're attending online, you'll be sent the link 3 days before the event.)
