Since retiring as Head of the Royal Air Force, Sir Stephen has held a number of commercial, advisory and charity appointments. He will reflect on some of the global challenges that are likely to test us in the immediate future. His intent is to show how the arts and creativity can encourage organisations to innovate, diversify and develop whilst simultaneously improving the wellbeing of their staff. In so doing, he would hope to show that businesses engaging with the arts could have an advantageous component in the Island's social and economic fabric.

Lunch Options:

Non-Vegetarian Option - Twice-cooked Pork Belly: Indulge in layers of crispy crackling and tender meat in this classic dish. The pork belly is paired with sweet caramelised apple, creamy crushed herbed potato, and a rich cider sauce for a perfect balance of flavours.

Vegan Option - Field Mushroom Delight: Savour the earthy richness of field mushrooms topped with a creamy, tangy Greek-style vegan cheese and a zesty nut-free pesto. A perfect blend of flavours and textures for a vegetarian delight.

Advance Notice: Closer to the event date, we'll email attendees a meal choice pre-order form. You'll be able to select your preferred lunch option from these two delicious dishes.
