### **What opportunities exist for Channel Island collaboration?**

**Book here**

A unique opportunity to hear from the Chief Minister of Jersey -  
and the Chief Minister of Guernsey at one lunch.

Each Chief Minister will outline the successes and challenges of  
their island and then both take questions from the floor.

What room is there for Channel Island collaboration?

Where have opportunities been lost with inter-island rivalries  
and beyond the political lifecycle how do we effect positive  
change?
