Are you ready to understand and take control of your finances? Join our workshop where we dive deep into the essential pillars of financial literacy.

Whether you're a seasoned business owner, just a couple of years into your business journey, or even just starting out, this workshop is designed to empower you with practical knowledge and actionable strategies.

Why Attend?

- This workshop is open to everyone who wants to understand their financial information better. Knowing your financial information will help align your finances with your selected

projects and improve your Key Performance Indicators (KPIs).
- Learn how to plan and visualise the impact of financial decisions on your projects. Understanding your financial information will streamline various processes and prevent delays.

Even if you aren't applying for a grant or thinking about applying, this workshop will still be beneficial. You'll walk away with a workbook containing a checklist of actionable steps to improve your financial well-being.
