Who's it for?

This hands-on workshop masterclass, led by Royston Guest is for Business owners and Senior business leaders committed to creating a relevant, agile, and resilient business that will not only survive but thrive.

The content...

What if, in a high-impact 3-hour masterclass, you could uncover the 7 critical mistakes that many business leaders unknowingly sleepwalk into?

Ideas packaged for instant translation and application to your business, no matter what stage you're at on your growth journey.

Ideas that will help you avoid costly trial and error in how you grow and scale your business.

And before you say it: yes, the ideas are 100% relevant to your business. I wish I had a pound for every time a business owner or leader has said to me, “Royston, you don’t understand; my business is different!”

What you’re about to discover are the universal foundational principles of business growth, regardless of whether you are B2B (Business to Business) or B2C (Business to Consumer), a brick-and-mortar or online business.

The ideas are 100% applicable to your business right now. In fact, they are more important than ever in the current challenging business climate!

Why Attend This Workshop?
