"Biggest regret we heard in 2024? Not bringing a BLANK notebook along for the day #ValuePacked"

Breakout sessions for 2025 will be revealed soon!

We care about supporting local businesses (like yours) and the environment
We’ve done everything we can to make GREENHOUSE an eco-conscious event. That’s why you’ll find:

- Vegetarian and vegan menu to reduce the event’s carbon footprint
- Locally-sourced food and vendors supporting the event
- A carefully chosen venue that is fully accessible and supports sustainability
- Lots of info about carpooling and public transport and efforts to reduce unnecessary travel

Giving back and supporting education: We’re gifting one table to local students
Because they will be leading the businesses of the future

We’ve worked hard to make this event as affordable as possible for you

While still making it a super-duper memorable experience (and yes, we pay our world-class speakers too).

Travelling to Jersey for GREENHOUSE?
We have a special Bed and Breakfast room rate at a local Hotel & Spa just 5 minutes walk from our venue.

Get in touch at hello@floortenagency.com to find out more.

“Whaaaaaaat? There’s an after party?! Tell me more...”
Yes, the legendary GREENHOUSE after party has returned, thanks to our sponsor Complete Facilities.

We know you’ll want to keep the conversation going, beyond the final keynote, so come and join us at a trendy location in downtown Jersey, super close to the main event venue.

The first hour (from 5:00pm - 6:00pm) is a private cocktail hour for VIP ticket holders only, where you can meet and mingle with the speakers.

Then, doors open to everyone with a general admission + after party ticket at 6:00pm. Get ready for live music, great conversation, and new connections.

Drinks are not included so we can keep this super affordable so there is a cash bar.

WE PROMISE
No selling, pitching or stuffy networking. Inclusive and accessible because businesses are all different, and so are we.

OKAY, FINAL CHECK IN...
