

Productivity Survey 2025

9th September 2025

Are you interested in improving productivity within your business or organisation? We're excited to announce that for the fourth year running, Jersey Business has commissioned an independent survey by 4Insight to assess businesses' understanding of productivity and how they measure and improve it.

This survey is more than a questionnaire. It's your platform to share your journey, challenges, and triumphs in boosting productivity. Whether you're on the front lines or in the boardroom, your perspective matters.

The survey should only take 10 minutes to complete, and as a thank you for taking part, one lucky participant will win a pair of AirPods Max. So, what are you waiting for? Click the link or capture the QR code below to take the survey now.
