The Future of Farming: Jersey's AgriTech Roadmap revealed

5:30 pm - 7:00 pm | 30/09/2025 | Digital Jersey Hub, Jersey Ground Floor, Block 3, Grenville St, JE2 4UF, Jersey

Book now →

Join Digital Jersey for an engaging evening where we showcase the Agritech Technology Roadmap — a bold vision for the future of farming in Jersey. This is your chance to see how smart technologies like soil sensors, drones, and AI have been and can be used by local farmers to improve efficiency, sustainability, and profitability.

What to expect:

- A first look at Jersey's AgriTech Roadmap
- Networking over drinks and nibbles made from local produce
- A relaxed, collaborative atmosphere where your voice can shape what comes next

Who should attend:

- Farmers, growers, agri-businesses, innovators, and anyone interested in the future of food and farming in Jersey.
