## **Business Unboxed: The Thinking Space for Growth-Minded Leaders**

Business Unboxed is an exciting event series bringing fresh conversations on leadership, growth, and resilience to the local business community. Featuring firsthand insights from local business owners and professionals about how they make rapid, high-stakes choices in their organisations. The events also include a panel discussion with audience participation.

Hosted in a different, unique and quirky venue each time, the event creates a relaxed and inspiring environment for networking, meeting fellow leaders and changemakers, enjoying complimentary drinks, and gathering practical ideas to take back to your business.
