Get ready to shake things up at DisruptHR 2026 in St Helier – where innovative ideas and bold conversations collide!

Book here

Disrupt 2026 is where the future of work takes centre stage – and you need to be in the room.

We're taking over St Helier for an evening built for challengers, changemakers, and anyone ready to tear up the rulebook. Expect bold ideas, real talk, and fresh perspectives from leaders who aren't waiting for the future – they're building it.

This isn't another corporate event. It's a space for energy, challenge, curiosity, and real conversation. Whether you're growing your career, shaping teams, or reimagining the workplace, you'll find your people here.

Save the date. Show up curious. Leave ready to disrupt everything you thought you knew about people and work.
