Interested in exploring environmental careers?

Open between 1pm and 6pm (last admittance at 5:30pm).
Meet staff working in a range of environmental roles, discover the possibilities for career areas you may not have known about and get advice on how to get there.

Open to schools, colleges, independent students and anyone wanting to explore career options in an environment field.

Exhibitors will include:

- Durrell Wildlife Conservation Trust
- Blue Marine Foundation
- Government of Jersey Environment & Biodiversity
- Jersey Biodiversity Centre

- Jersey International Centre for Advanced Studies (JICAS)
- Jersey Trees for Life
- National Trust for Jersey
- Nurture Ecology
