JERSEY
Chamber of Commerce

Jersey Chamber invites all ticket holders to help shape this special election event.

Following a ticket holder vote, five senatorial candidates will join us for an engaging discussion on the issues facing Jersey's economy, business community and future government priorities ahead of the 7 June election. An opportunity for insight, debate and direct questions.

Voting Process

Once the full list of candidates has been announced, a digital form will be sent to all attendees in advance of the Chamber lunch. This process enables ticket holders to help select the five senatorial candidates who will take part in the event. Please note that each ticket holder is entitled to vote once for their preferred five candidates from the full list of all declared

candidates for the Senatorial elections.
