Pop to see JOIC at Data Protection Express. May's clinics will be focusing on how small businesses can keep personal information safe.

Talk to them to explore a few guidance steps and tips around the six golden rules of local data protection law that everyone must follow when handling someone's personal information, with a focus on the 'Integrity and Confidentiality' principle which means personal information must be kept safe and protected

from loss or unauthorised access.

What you can expect:

- Get clear, practical advice about local data protection law.
- Ask questions tailored to your business.
- Feel confident about your responsibilities.

The Data Protection Express clinics run every Wednesday from 2pm until 4pm at our office at Ritz House, 5 Castle Street, St Helier. They're free to attend and designed especially for small business owners.

To **book your 30-minute spot** at one of their clinics throughout May, starting Wednesday 6 May 2026, please email their events team at events@jerseyoic.org or call their events team on 01534 716530 stating your preferred date and time.
