A unique opportunity to learn from the Design Council, here in Jersey

Join us for this session, an introduction to Systemic Design

In this session the Design Council will introduce you to systemic design and start working together on applying practical tools to real-life business challenges.

Timings:

- Arrive 13:15 for coffee and networking
- Event starts: 13:45
- Event finishes: 17:30

We will follow up with more details, including an agenda for the

Book here

session, at the start of June.

To make this session accessible to more people, we're running the **same workshop twice**, once in the morning and once in the afternoon.

Both sessions will cover **exactly the same content**, so please choose the time that works best for you.
