When can you attend the next cohort?

The cohort 13 kicks off in July with an online ‘Launch Event’ giving you the chance to meet your peers, the Pathways team and get stuck into some summer reading ahead of the in-person in-room events which start in September. This is where you will create a laser- beam focus on WHAT you want to achieve and HOW you are going to deliver it! Don’t miss this opportunity to grow & succeed!

- 8 September 2026 – Module 1, Session 1
  15 September 2026 – Module 1, Session 2
