As part of our Start & Scale programme we will be running a Pizza + Pitches night which flips the usual entrepreneur evening on its head, instead of watching a founder talk, Jersey’s startup community gets the stage.

Book now

Bring your pitch, sharpen it live with peers, and put it in front of a panel who’ll tell you exactly what’s landing and what’s missing. Best pitch on the night walks away with £1,000 toward their business.

£1,000 up for grabs. Real feedback from real investors. Pizza on us.
