Lunch with Senator Elaine Millar, Minister
for Social Security

From the future of the Minimum Wage and workplace pensions to employment support, family friendly policies and the wider direction of Social Security, the decisions made today will shape Jersey's business environment for years to come.

Book now

Join Jersey Chamber of Commerce as Senator Elaine Millar, Minister for Social Security, sets out her priorities and plans for the years ahead, providing valuable insight into one of the Government's most significant policy portfolios.

This promises to be an informative and engaging lunchtime discussion, with the opportunity for members to put their questions directly to the Minister.
