The Chamber Christmas Lunch is back, (despite requests from some who might get mentioned) and it is the perfect opportunity to treat your team or clients to a festive afternoon together.

Join Chamber at The Royal Yacht for good food, good company and a chance to relax as the working year draws to a close. There will be prizes, a risk of Christmas cheer and every danger of a mild hint of entertainment.

Gather your colleagues, invite your clients and come along for a lunchtime escape from work with Chamber.
